info@catholicfinance.org

Catholic Finance Corporation (CFC) offers a Cooperative Purchasing program as part of our financial services to Archdiocesan parishes and schools. Program participants save time and money on a variety of vendor relationships. CFC is able to generate savings by consolidating the purchasing power of all Archdiocesan entities as one national account rather than many parishes and schools negotiating separately.

The program includes parking lot assessments and opportunities for substantial savings on things like payroll services, office supplies, copiers, computers, cleaning supplies, and asphalt repairs. *See reverse for a complete list.*

Parishes also have the option to finance purchases through CFC at competitive interest rates, loan processing fees and flexible payment terms.

Benefits of Cooperative Purchasing

The Cooperative Purchasing Program offered by Catholic Finance Corporation has three main benefits:

Save Time and Money

Our service will save you time and money, allowing you to focus your resources on your primary mission. Our volume discounts with vendors create savings for you. Standardized contracts save you time. You no longer need to deal with multiple vendor calls.

Quality and Value

CFC screens suppliers to ensure the products and services offered are high quality. You do not need to spend time assessing vendors.

Financing Savings

CFC is able to provide savings with competitive financing alternatives to the parishes and schools. CFC strives to provide interest rates that are lower than other options available with more flexible terms and a process that is transparent and easy to understand.

Cooperative Purchasing Vendors For Parishes and Schools

The following vendors have entered into a cooperative purchasing agreement with CFC to benefit the parishes and schools of the Archdiocese of St. Paul and Minneapolis.

Cell Phones

- Verizon Wireless has agreed to pricing arrangements and standard contracts for wireless communication. These arrangements also apply to employees of Archdiocesan parishes and schools who use Verizon.

Cleaning Supplies

- Dalco and Sealed Aire have agreed to pricing arrangements for cleaning supplies.

Copiers

- Advanced Imaging Solutions, Coordinated Business Systems, Loffler, and Metro Sales have agreed to pricing arrangements for copier and related services.

Payroll

- ADP and Paychex have agreed to pricing arrangements for payroll and related services.

Roofing

- CentiMark has agreed to pricing arrangements for roofing services ranging from repair and replacement to preventative maintenance.

Financing

- CFC can provide competitive interest rates and lower loan processing fees for purchases made through this program.

Asphalt

- Quality Project Management of Tempe, Arizona, can provide thorough asphalt assessments.
- Bituminous Roadways of Mendota Heights, Minnesota, can provide asphalt repair and reconstruction work.

Office Supplies

- OfficeMax is working cooperatively with us to offer up to 70% savings on a wide variety of office supplies delivered next day to your door.

Technology

- Apple provides discounts, especially when there are quantities of 10 or more of a similar item.
- Dell has established a dedicated website for your use through this purchasing program for products at a significant savings.

How to Enroll

To enroll in the Cooperative Purchasing Program through Catholic Finance Corporation, follow these steps.

Financing

- To obtain detailed information on financing alternatives for your purchases, contact any of the following individuals at Catholic Finance Corporation:

Alan Erickson	(651) 389-1073
